

Guideline for selection of NYVs for the year 2017-18

1. Background

- As per the approval conveyed by MYA&S, the monthly honorarium of NYVs has been enhanced from Rs- 2500/- to Rs-5000/- w.e.f. 1st October,2016. Further, approval of MYA&S is conveyed for increasing the upper age limit of NYVs from 25 years to 29 years. The Ministry of YA&S has also conveyed its approval for deployment of one NYV for every two wards in Delhi.
- This has been done mainly due to diversified and new areas of responsibility of NYVs. For example, awareness on e-banking / Digidhan. using of various mobile Apps pertaining to schemes of GOI etc.
- In view of above, it has been decided by the Competent Authority to deploy **fresh batch of young candidates** having dedication and enthusiasm and fulfilling the *required* conditions as NYVs **w.e.f 1st April, 2017.**
- The NYV deployment will be initially for one year i.e form 1st April to 31st March of next year. If any vacancy arises in between, any deployment made against such vacancy, it will be only for the remaining period of the financial year i.e up to 31st March as the case may be.
- In case, the deployment process is delayed due to election code of conduct and other reasons, then the deployment should be made only up to the remaining part of the financial year i.e up to 31st March, of that year. Further, in case their term is extended in the 2nd year, the extension will be up to 31st March of the extended year or completion of 2nd year term (for the present volunteers) whichever is earlier.
- It is observed that presently there is no uniform date of deployment and term completion date because of different dates of deployment across the country. It is made clear that in order to streamline the system of deployment of NYVs, **the following aspects are to be followed:-**

- a) Any volunteer, deployed against any vacancy in between, should be deployed for the remaining period only, of that financial year (up to 31st March). This will ensure that from April, the whole system of NYV deployment will be as per financial year i.e 1st April to 31st March.
 - b) For considering continuation of any volunteer for 2nd year, proposals along with details of specific achievements made by particular NYVs may be placed before the NYV selection committee for necessary decision.
 - c) In case, the deployment process is delayed due to election code of conduct and other reasons, then the deployment should be made only up to the remaining part of the financial year i.e up to 31st March, of that year. Further, in case their term is extended in the 2nd year, the extension will be up to 31st March of the extended year.
- **This is mainly due to the reason for selecting highly dedicated NYVs and completing deployment and trainings in an uniform manner across the country.**
 - Accordingly, deployment and training scheduled has been designed to ensure completion of fresh deployment by 21st March, 2017 & conducting NYV trainings from 3rd April, 2017 uniformly across the country.

With this background, the following is the guideline for necessary action.

2. About the Scheme

National Youth Corps is a scheme of Ministry of Youth Affairs & Sports, Government of India. The NYC Scheme is being implemented by NYKS.

3. Mission Statement

It has been the constant endeavor of Government of India to channelize the energy and capabilities of its considerable youth population (65% of the total population is below 35 years of age) towards National Building activities by organizing them into volunteer groups. Hon'ble President in her address to the joint session of the parliament in June-2009 outlined the broad areas of priority of Government of India as well as certain specific commitments. These, inter-alia, included launching a new scheme of National Youth Corps to take up creative social action.

4. Objectives of the Scheme

The scheme of NYC would create a space enabling young men and women in the age group of **18 to 29** years to serve up to two years in Nation Building activities for which they would receive a monthly honorarium of Rs- 5000/- .

The Scheme has following objectives :-

- a) To set up a group of disciplined and dedicated youth who have the inclination and spirit to engage in the task of Nation Building.
- b) To facilitate the realization of inclusive growth (both social and economic).
- c) To act as modulators and peer group educators
- d) To act as role models for the younger cohort specially towards enhancement of public ethics, probity and dignity of labour.

5. Role of NYVs

- Each NYV has a major role of catalytic agent between youth clubs and development departments.

- Each NYV has to prepare Youth profile of his/her block
- Each NYV is required to be IT Savvy. Further NYVs should have the capability of preparing report/documentation of youth program and upload online. NYC should also know about preparing reports for media/news statement. Each NYV should know the using of required mobile Apps (for example Digidhan, Digital India etc).
- Formation of New youth clubs, activation of defunct youth clubs is the major task of each volunteer.
- Organizing NYKs regular and special programme with the help of Youth clubs.
- Guiding and motivating youth clubs members for involving themselves in community development programmers
- Recommending active/ dedicated members of youth clubs for NIC, Skill training, international youth exchange programme etc. to DYC

- **The deployment will be initially for one year only i.e from 1st April 2017 to 31st March, 2018.**
- It is clarified very categorically that if any candidate is deployed in between from among the waiting list, such deployment will be only for the rest of the period with in the financial year due to which the vacancy was created.
- No volunteer in any case will be deployed beyond two years.
- The deployment is purely on voluntary basis and hence the selected volunteers will not have any claim for regular appointment.

7. Monthly Honorarium

- Each volunteer will be paid a monthly honorarium of Rs-5000/- after successful completion of monthly target, online reporting/ feedback and receipt of online attendance.
- **The monthly honorarium of each volunteer will be credited to the concerned volunteers account by e- banking only.**
- The monthly honorarium of volunteers will be strictly calculated based on number of days they have actually worked (excluding holidays) and for which online attendance is marked by the concerned DYC.
- Each volunteer is required to link his or her bank account with Aadhar number for enabling implementation of **DBT (Direct Beneficiary Transfer system)** as per Government of India guidelines .
- If a volunteer is absent from his work, the monthly honorarium will be proportionately reduced without any notice, as per the online attendance.

15. Main Points for consideration and preparatory work prior to selection.

Following are some of main points for perusal/attention of DYCs during the selection of NYVs.

- The key to success of entire programme of NYVs rest on NYVs volunteers. The DYCs cannot physically visit the entire area frequently or contact all the youth for all the activities.
- First of all, the NYVs need to act as a peer leader. Secondly, they being more closely located and being able to communicate and motivate the youth

completely in their village/locality should be able to mobilize the youth in desired numbers.

- The competence, capability, attitude and aptitude required in NYVs should be in proportion to the highest standards of results expected to be delivered.
- On one hand, the NYV is expected to learn and understand all the programmes of NYK for their correct implementation. Simultaneously, he/she is also required to understand the details of special/coordinated programmes and besides these, also required to understand the details of numerous Govt. of India flag ship schemes and requirements of theme based events. Hence, they ought to be well qualified, intelligent and with quick uptake.
- On the other hand, he/she requires to communicate these essential details to the rural, non student and other youth in the country for which he/she needs to design the communication appropriately and use a host of tool and techniques to communicate and motivate the youth clubs/youth; conduct/participate in such programmers, collect details/reports, prepare, communicate with clarity; communicate with officials of local administration and also ensure minimum essential transparent accounting and forward reasonably well laid down formatted reports. Hence, the possessions of these qualities are essential and also ability to handle a Smartphone and computer should be preferable.
- In the process, the NYV is also expected to imbibe and propagate leadership and communication skills, value orientation and patriotism.
- The above is not an easy task which can be performed by an individual as it require qualified, competitive and self motivated youth. It is therefore essential that selection process conforms to the above mentioned requirement in a person to be selected as NYV.
- It would therefore be essential to select educated self motivated and socially networked youth with demonstrated ability on record.
- On many occasion, an issue is raised stating that the remuneration offered is too less. However, it needs to be clarified in the beginning itself that the selection of NYV is neither a career nor a job. The small amount paid to the NYV is indeed a honorarium meant to acknowledge his/her voluntary contribution and to some degree compensate to the expenditure he/she might undertake for the minimum essential requirement. This in fact is an opportunity offered to NYV for self empowerment through voluntary activity contributing to community development and nation building. The opportunities offers respect, growth and identity and does not deliberately make the youth dependent.

- In order to ensure that the best youth is selected as NYV it is imperative that the system of selection should be transparent and merit based only. No devaluation should be permitted and all possible measures to be taken to avoid conflict of interest, vested interest or any impropriety, while doing so it must also be ensured that no room for controversy of any nature whatsoever is allowed and due precautions are to be taken.

16. Preparation of waiting list

It is very important that as per merit, waiting list be approved by the selection committee to deploy candidates against any midterm vacancy / dropout

17. The DYC should ensure the following before the commencement of selection:

- Issue of Advertisement in local leading newspaper (in local language), as per the format for advertisement approved by Hqtrs.
- News items in all local leading daily/weekly newspapers/magazines regarding NYV selection.
- Circulars to all NCC, NSS, Scouts and Guides, Red Cross Society , Eco Clubs, active youth clubs/ Mahila Mandals, District/Block level libraries and heads of zila/block/village Panchayat's for ensuring wider publicity.
- The concerned DYC will put up the matter of NYV selection to the DM who is chairperson of the selection committee, well in advance and seek a date for interview (as per the guidelines of head quarter.)
- Once the interview date is confirmed, the DYC will issue interview call letters to all concerned candidates by the registered post and email also. Further all candidates will be informed over phone also.
- **Submission of online/offline applications:-**

Software has been developed for online submission of application forms by the candidates. The online application form is available on www.nyks.org.

Applying through online is not mandatory. Candidates may also apply through offline application. **The Kendra will upload the application form pertaining to offline application received if any by candidates in stipulated time period.**

DYC can download and take the print out of the online application received for the particular district. DYCs should go through the details regarding the criteria for weight-age for ensuring full transparency and no room for any change.

SDs are hereby directed that they are over all responsible for monitoring, reporting and ensuring 100 % compliance

- The following aspects also needs to be considered before initiating the revised Selection process for deployment of NYVs.
 - a. Two volunteers are to be deployed per block in 623 NYK district. Additional 2 volunteers per district for documentation/reporting work may also be deployed. One volunteer for every two wards will be deployed in Delhi. Further 3 volunteers per district irrespective of number of blocks in **79 non NYK district (new districts) are also to be selected**
 - c. Advertisement in the local leading newspaper (in local language) is to be issued by the concerned DYC. **The prescribed format of advertisement is placed at Annexure A.** Applicants already applied this year, need not to apply again as their application will be considered.
 - d. **The concerned DYC will also issue news statement for all newspapers and send circulars to all units of all NCC, NSS, Scouts and Guides, Red Cross, Eco Clubs, Govt. Libraries, Village/Block / Zila Panchayat, Youth Clubs and Mahila Mandals, District Sports Officer, District Education Officer, Dist. Woman and Child Development Officer, CDPOs, District Disaster Management Cell, College Principals etc. to give wide publicity.**
 - e. **The volunteers who have earlier worked as NYVs and left in between before completion of their term or already completed their term are not eligible for selection again as NYVs**
 - f. **The DYC should ensure that the selection process is transparent, impartial and merit based. The SDs and DYCs will be responsible for merit based selection of NYCs. The DYCs will download the merit based list from the NYV web application and put up the same to the selection committee for merit based selection. If the committee decides otherwise, then the same may be recorded in order to avoid subsequent controversy.**

- g. PAO zones are directed to release the funds to all kendras (@ Rs. 5000/- each) for issuing **advertisement** and **conducting the selection/interview**.
- h. It is further directed that the DYCs may utilize available fund for issuing the advertisement wherever necessary, after taking the consent of the concerned State Director.

18. Parameters for selection of NYVs.

- Candidate should have basic interest to work as NYV.
- He or she should have sufficient time to attend NYV work.
- Further, leadership ability, organizational skill, motivational capacity, ability to understand dynamics of youth group, sports and cultural talents, and experience in social work etc should be considered while selecting a candidate.

19. Proceedings of selection committee

- The DYC will prepare the proceedings of the selection committee and take approval of DM/DC.
- The selection list will be signed by DM/DC, member and member secretary.
- Merit List including waiting list will also be prepared as per the proceedings and will be displayed on the notice board of NYK.

20. Deployment of volunteers / offer letters & letter of acceptance.

- **Each block will have 2 volunteers. The volunteers should belong to particular block in which they are deployed.**

- At Kendra level, 2 volunteers with computer knowledge are to be deployed for computer work/online reporting.

- **The SD & DYC concerned should ensure that deployment is made only up to 31st March 2018 for the newly deployed volunteers.**

21. Online registration of volunteers

22. Budget.

Rs- 5000/- per district has been allocated for the purpose of issue of advertisement and meeting the organizational expenditure i.r.o selection committee meeting etc.

23. Role of DYC

The concerned DYC being the member secretary of the selection committee, is responsible for maintaining absolute transparency and fairness in the entire selection process.

24. Training of Trainers (TOT)
